

"Whitnash Primary School
Learning, growing and succeeding together

Year 1 - Week beginning: 6.04.20 - Easter Fortnight

<p>English Write an acrostic poem. With EASTER down the side, can you think of words to do with Easter or Spring that start with the letters?</p>	<p>Science https://www.jamesdysonfoundation.co.uk/content/dam/pdf/JDF_with%20cover%20challenge-cards_DIGITAL.pdf Follow the link to experiment 06 - Expanding Gases. Record your findings in your home learning book.</p>	<p>English Write 5 sentences using the conjunctions and / but / because explaining why the Easter bunny is important and the jobs he does for us!</p>	<p>Maths Play Guess my Number with someone in your house. Can they ask your questions to guess your number? Is it odd or even? Which tens is it in?</p>
<p>P.E In your home learning book create your own exercise workout. Get family members to join in with you as a lead your own Joe Wicks style P.E class!</p>	<p>English Take a look out your window, what signs of spring do you see? Write a letter to an animal of your choice explaining to them that spring is here and why it is time for them to wake up.</p>	<p>Science We've been learning about materials. Can you design and label a suitable home for an alien. Remember the home needs to be strong and waterproof but also include things to keep this strange creature happy! (Paper attached)</p>	<p>Maths Quiz someone in your house then complete the maths bonds to 10 or 20 worksheet attached.</p>
<p>Design Technology Make a time travelling machine with the resources in your recycling. What sort of technologies would we need to get us to the future when we will all be back at school? Write a description in your home learning book.</p>	<p>R.E https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks1-the-christian-story-of-easter/zhqv47h Watch the Easter story online here.</p>	<p>Art Eggs are important for food right now but can you have a go at decorating the egg attached? You could use any of the craft resources you have at home Remember to stick it in your home learning book!</p>	<p>Design Technology Animals in the winter have to stay at home just like you are doing now. Can you write a list of instructions on the first few things they could do when they come out of hibernation.</p>
<p>Maths Shape hunt with a difference! On this shape hunt we want you to list all the things you can find in your home that are oval shaped (like an Easter Egg!)</p>	<p>PSHE What are you feeling right now? Using the resources you have available - playdough, paint, recycling, crayons - whatever you can find, create a piece of art work that represents your current feelings, you might be happy / angry / sad / worried.</p>	<p>RE Draw a story map to show the different parts of the Easer story. (Paper attached)</p>	<p>English Imagine you are going on a Spring picnic. Make a list of all the things you will need to take with you. Challenge: can you put these items into sentences using the conjunction 'because' to say why they are needed for the picnic.</p>
