

Home Learning

We hope you have fun!

<p>Talk about what job you would like to do when you are older.</p> <p>Draw a picture, label it or write some sentences about the job.</p>	<p>Design a superhero.</p> <p>What are your super powers?</p>	<p>Write out the numbers 1-10 with an adult. Cut them up to make flash cards.</p> <p>Choose a number card. Can you work out what double that number is?</p>
<p>Go on a red word hunt (words that you can't sound out) around your house, how many can you find?</p> <p>Can you write them down and write some sentences using them?</p>	<p>Hide some eggs around the house or garden how many eggs can you find?</p> <p>Can you record how many as a tally chart?</p>	<p>Act out having a tea party with your toys. Can you share the food equally between your toys? .e.g If you have 10 sweets how many do they get each?</p>
<p>Play a board game or card game with your family.</p> <p>Can you spot any numbers?</p>	<p>Can you read each person that lives in your house a story?</p> <p>Talk to them about your favourite part of the story.</p>	<p>Choose some objects from your house to take in the bath.</p> <p>Predict which ones you think will float/sink.</p> <p>Test them out in your bath. Did you predict correctly?</p>

Thank you for your support.

Mrs Riddell, Mrs Stevenson, Miss Russell.
