

## Reception- Capital/Uppercase letters

**In Reception we teach the children how to read and write using lowercase letters.** When your child is ready to write a simple sentence we encourage the first word of a sentence to be capitalized. We also encourage a capital letter when your child is writing their own name and/or the names of others.

Capital letter formation (start at red dot and follow the arrow)

Links to games for your child to practise matching lowercase and uppercase letters:
