

## High Frequency Words

High frequency words are those words which occur most frequently in written material. They are often words which have little meaning on their own, but contribute significantly to the meaning of a sentence as a whole.

Some of these words can be sounded out by your child using their phonic knowledge.

|     |      |     |     |
|-----|------|-----|-----|
| a   | on   | his | go  |
| dad | up   | to  | an  |
| I   | back | him | as  |
| mum | if   | had | can |
| big | but  | in  | off |
| it  | of   | no  | not |
| at  | into | got | get |
| is  |      | the | and |

Some high frequency words are called tricky words as these words cannot be sounded out and have to be learned by sight.

|      |     |    |
|------|-----|----|
|      | no  | to |
| I    |     |    |
|      | the |    |
| into |     | go |

Please practise reading all of the above words with your child. They can then have a go at writing them too.
